An excellent second SummerNav event of the season at Churchill Park, we were threatened with rain all evening which didn't happen and we evening got a little bit of sunshine for the Control collectors at the end. Many thanks to Scott who did an excellent job and a number of positive comments from Course 3 as people were finishing.

Some families from far afield this evening including the Muren family all the way from Norway on a family adventure. The family recounted their previous trip from Norway nearly 20 years ago, they remember the Campermatic and also their trip to Taupo to compete in Katoa Po, they even remembered borrowing a headtorch from Joanna's son for the event.

Next week we are back in Central Auckland and the trusted Cornwall Park map. Remember it's our first Tuesday event of the year on the 8th. Expect some hilly courses as we start at the Hadyn Ave end of the park
