

Auckland Interclub Relays - Saturday 14th November 2020

This weekend saw the first part of a double header at the Epsom campus of Auckland University. A frequently visited campus had an added twist with the introduction of the car park as a multi-level section in the middle of the course.

Mapped in detail by Kieran Woods and Neill McGowan, the courses introduced a 3D complexity to manage on top of the usual forking legs, and 9 different stairwell/ramp options to get between floors.

As a club we dominated with big numbers and were able to take overall victory (retaining the AOA Relay Shield) and also win all 4 grades with the following teams:

Young Uns	Juniors	Open	Masters
Harry Borton	Nathan Borton	Patrick Hayes	Guy Cory-Wright
Zara Toes	Emily Hayes	Zara Stewart	Lyn Stanton
Ami McGowan	Liam Buyck	Jonty Oram	Jeff Greenwood

King of the Car Park

All of the legs in the car park were common for each grade, allowing a head-to-head comparison. Here are the results:

Young Uns	Juniors	Open	Masters
4:43 Ami McGowan	2:56 Aidan Skinner	4:00 Cameron de L'Isle	5:08 Jeff Greenwood
4:51 Zara Toes	3:00 Michael McCormack	4:18 Jonty Oram	5:36 Martin Crosby
4:51 Harry Borton	3:13 Nathan Borton	4:47 Zara Stewart	5:39 Mark Frater
